

Celebrating Brand Excellence.

ET Polymers Awards 2018: A dazzling platform

(L to R) Jitendra Patil & Madhukar Patil from Mahalaxmi PET Machines, Aurobindo Sahoo from IOCL, Vinu Chavda from ECON Machinery, Mathew George from IOCL, Ashwin Agarwal from Kandui Industries, Shalish Kelkar, Toshiba Machines, Shyam Sundar S Pani from Steer Engineering, Varun Gupta, Calco Poly Technik, Vishal Agarwal, Yudo Hot Runner India, Sunil Jain, Rajoo Engineers, Madhav Bhandari, Chief Spokesperson, BJP, Amit Pendse, Electronica Plastic Machines, V B Lall, SCJ Group of Industries, S V Kabra, Kabra Extrusiontechnik, Mohandas Alva, Windsor Machines, Rahul Jain, SCJ Group of Industries, T P Shridhar & T K Ramesh from Ace Designers, Daulat Jain, Kabra Extrusiontechnik, Nikhil Tiwari, Ensinger India Engineering Plastics, Deepak Paul & Pritam Shah from igus India & Manthan Panchal, N.A. Roto Machines & Moulds India

The Economic Times Best Brands in Plastics & Polymers coffee table book celebrates the success of following brands in the market.

Ace Designers Ltd
Ace Designers is the undisputed market leader in India for last three decades in CNC turning segment including pipe turning.
Segment: PIPE TURNING

Calco Poly Technik Pvt. Ltd.
CALCO is a leading provider of high performance polymers, color & additive solutions.
Segment: COMPOUNDS

Covestro (India) Pvt Ltd
Covestro is centered towards production of high-performance polymers & offers products—polyurethanes, high-performance polycarbonates, precursors, etc.
Segment: RAW MATERIALS

ECON Machinery Pvt. Ltd.
ECON is a manufacturer of Underwater Pelletizing System, Air Pelletizing System, Underwater & Air Pelletizing System (hybrid), Pyrolysis Furnaces, etc.
Segment: PELLETIZING

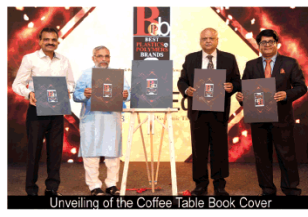

Electronica Plastic Machines Ltd.
Electronica Plastic Machines is a leading

manufacturer of a range of plastic injection molding machines & allied products.
Segment: INJECTION MOLDING

Enginger India
Enginger offers high quality semi-finished products made of over 100 different plastics including Nylon, POM, PC, PPS, PPSU, etc.
Segment: RAW MATERIALS

igus (India) Pvt Ltd.
igus India, a smart motion plastic specialist, undertakes turn key projects in moving cable management system.
Segment: AUXILIARY

Indian Oil Corporation Ltd. (IOCL)
IOCL prides itself as 'The Energy of India'. It is an integrated energy major with presence in the streams of oil, gas, petrochemicals, etc.
Segment: RAW MATERIALS

Kabra Extrusiontechnik Ltd.
Kabra Extrusiontechnik is a manufacturer & exporter of extrusion plants. Its constant endeavour is to offer better solutions.
Segment: EXTRUSION

Kandui Industries Pvt. Ltd.
Kandui Industries is a renowned player in the masterbatch industry. Its extruders, lab & quality control systems enable the company to offer quality products & services.
Segment: MASTERBATCHES

Mahalaxmi Pet Machines
Mahalaxmi PET Machines is a well-known manufacturer, exporter & supplier of PET blow molding machines.
Segment: BLOW MOLDING

N. A. Roto Machines & Moulds India
N. A. Roto Machines & Moulds India is an ISO 9001:2015 Certified Company that makes NAROTO brand Rotomoulding Plants.
Segment: ROTO MOLDING

Rajoo Engineers Ltd.
Rajoo Engineers is a leading extrusion technology company that has a right blend of experience, expertise and excellence.
Segment: EXTRUSION

SCJ Group of Industries
SCJ was established in the year 1969 & is

Kabra Extrusiontechnik Ltd.
Kabra Extrusiontechnik is a manufacturer & exporter of extrusion plants. Its constant endeavour is to offer better solutions.
Segment: EXTRUSION
